**Beginnings** come like most things in many different shapes. There are the beginnings that are rolled out with great fanfare and publicity, but many of these wither because they are very resource hungry.

There are others that are meticulously planned but the difficulties that are foreseen become too off putting, and so they never gets beyond the planning stage.

There are others like a little insignificant seed that seem just to germinate and start growing and end up as mighty trees

### St Faustina Oct 5th Payer to Saint Faustina by St John Paul II

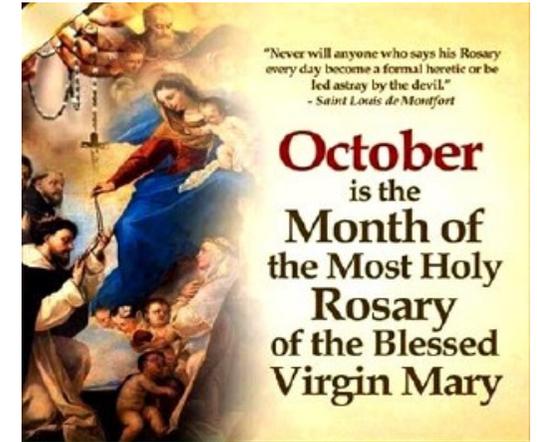

And you, Faustina, a gift of God to our time, a gift from the land of Poland to the whole Church, obtain for us an awareness of the depth of Divine Mercy; help us to have a living experience of it and to bear witness to it among our brothers and sisters.

May your message of light and hope spread throughout the world, spurring sinners to conversion, calming rivalries and hatred, and opening individuals and nations to the practice of brotherhood. Today, fixing our gaze with you on the Face of the Risen Christ, let us make our own your prayer of trusting abandonment and say with firm hope: "Jesus, I trust in You!"

**Health Warning** –Nagging can cause deafness in those close to you. .

My parents never taught me how to be humble or modest , it just came to me naturally.

Mother was wondering why saying his penance took her child so long as it was his first confession. The Child replied The priest told me to say two hail Marys but I only know one.

**Feast of Our lady of the Rosary celebrates** a great victory over the mighty Turkish fleet in **1571**. It was won by a flotilla of Catholic naval ships from Spain, Venice, and Genoa under the command of Don Juan of Austria.

It was the last battle at sea between "oared" ships, which featured the most powerful navy in the world, a Moslem force with between 12,000 to 15,000 Christian slaves rowing their ships

Knowing that the Christian forces were at a distinct disadvantage, **St. Pope Pius V** called for all of Europe to pray the Rosary for victory.

We know today that the victory was significant, prevented the **Islamic invasion** of Europe, and evidenced the Hand of God working through Our Lady.

At the hour of victory, St. Pope Pius V, who was hundreds of miles away at the Vatican, is said to have gotten up from a meeting, went over to a window, and exclaimed with supernatural radiance: "**The Christian fleet is victorious!**" and shed tears of thanksgiving to God.
