Grandparents Day.

The Irish National Grandparents Pilgrimage to Knock that was due to take place this Sunday 13th September has been moved to a virtual event online, beginning at 3pm. You can access it at www.knockshrine.ie/watch

Grandparents have no agenda; they simply want the best for their grandchildren. They want them to be good, decent human beings, to know the difference between right and wrong, able to make good moral decisions and, if they go astray along the way, to be able to find their way back to a loving, forgiving, non-judgemental God.

Grandparents' vital contribution to the family, the Church and society was never as important as now. We are living in unprecedented times, with constantly changing social and moral values. Times of great emotional, physical and financial stress, Sometimes we feel like we are failing. We are not. We can never fail so long as we keep on doing what we are doing - praying, showing the way and passing on our Faith.

This association grew out of our Grandparents Pilgrimages, where thousands of grandparents gathered in recent years, united by the same goal to do the very best we can for our children and grandchildren.

At the heart of the Catholic Grandparents Association is the firm belief that this is our duty, our responsibility, our vocation, and we must do what we can. This is probably the most important job we will ever have and, for many of us, it may be our last. It is one from which we can never retire, so let us do our best. We owe it to our grandchildren.

May God bless you, your grandchildren, and your children, now and forever.

Best Wishes to Tinahely Ladies Football

Best wishes to the Tinahely Ladies Football team who are playing in the senior county Final this evening at 6 pm against Blessington who are in the Final for the first time but who are expected to be tough opponents.

Tinahely Ladies are going for a sixth Senior championships victory in a row, Tinahely Ladies have won this championship eight times altogether. The people of Tinahely are all extremely proud of this group of dedicated players who have proved themselves over the past years.

There are lots of young talented players continuing to come through who will keep Tinahely as a team to be reckoned with in the years to come.

We wish captain Jackie and all her team mates every success this evening.

St Paul compared living the Christian life to taking part in the Olympic games, where the prize was not just a garland of leaves but a crown of eternal glory.

A vocation is not a call to dedicate one's life to a particular WORK because priests and religious are not FUNCTIONARIES but rather DISCIPLES whose lives are centred on their relationship with Jesus Christ. Their function is to draw others into that living relationship so that His power and presence can transform the world.

A vocation is not about what we do but about what we are. We remember the apostles, not for their achievements but because they were chosen by Jesus to be his disciples.

If the Lord invites you to follow Him in humble obedience as a priest or in the consecrated life, how will you respond? If the Spirit is prompting you to serve Christ as a priest, or in the consecrated life, speak to your local priest, or call your Diocesan Vocation's Director, or email the National Vocations Office on info@vocations.ie

Humour

Footprints on the sand of time are not made sitting down.

Here is my 48 page preliminary report on that pushing incident in the canteen this morning.

Life is a waste of time and time is a waste of life, so waste your time and have the time of your life.

One can avoid reality, but one cannot avoid the consequences of avoiding reality.
